

Science Maniacs

Oh-oh here we go, it's time to start the show
It's an extreme attack, Science Maniacs
All you want to know
It's time to start the show, Science Maniacs

Chorus:

If you want to have some fun
We'll show you how science is done
Everybody come along
Sing and learn these science songs

Oh-oh here we go, all you ever want to know, Science Maniacs
It's an extreme attack, Science Maniacs
Science Maniacs, let's put on our thinking caps
It's time to learn and grow, all you ever want to know

Chorus:

It's an extreme attack, Science Maniacs
Science Maniacs, it's fun to learn the facts
Oh-oh here we go, all you ever want to know
Science Maniacs
